

GOING TO DISNEYLAND ♥ NUMBER HUNT

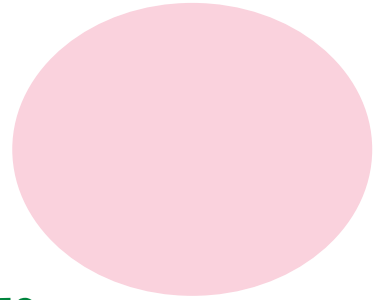

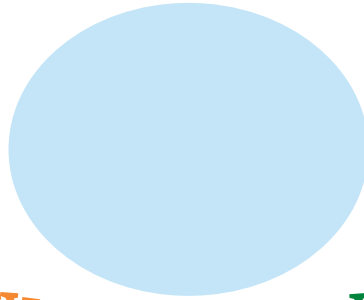

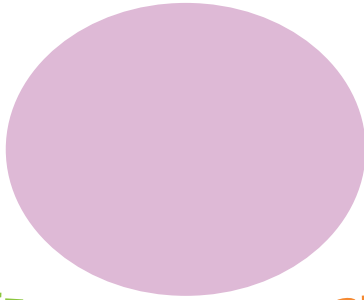

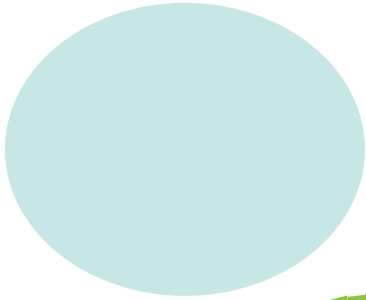

ONE

TWO

THREE

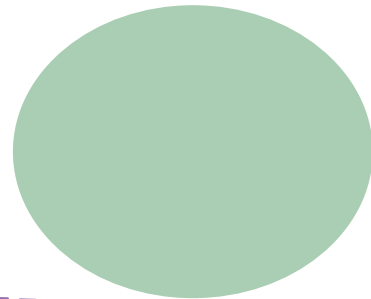

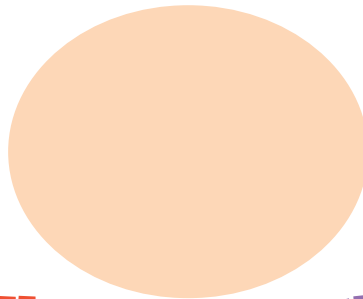

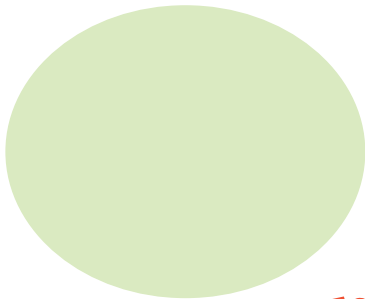

FOUR

FIVE

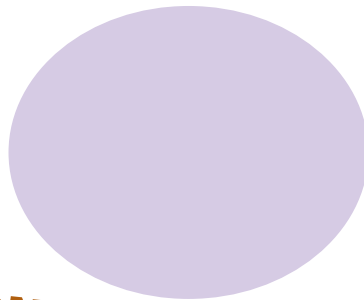

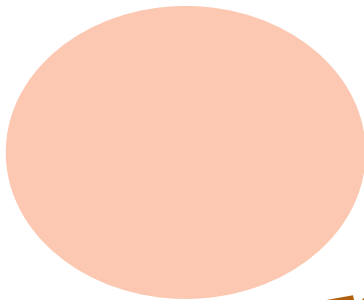

SIX

SEVEN

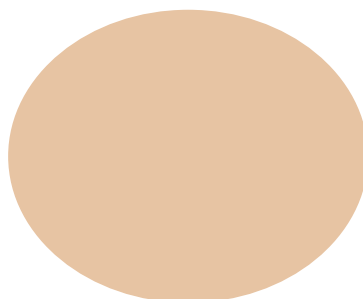

EIGHT

NINE

TEN

DIRECTIONS:

Walk through Disneyland and look for **ONE** of something to write in the **ONE** oval, **TWO** of the same things to write in the **TWO** oval and so on for the rest of the ovals. You don't **have** to find them in numerical order, just write them in the corresponding ovals when you find them. HAPPY HUNTING...
