

Dumbo Number Challenge (Disneyland)

Use this checklist to see if you can ride on every single one of Dumbo the Flying Elephant's elephants. It will probably take you quite awhile to do this (maybe even years!) but there is no time limit. Each elephant has a number on the side that matches the number you stand on while waiting to board. Sometimes a Cast Member will let you request which number you want to ride in—and it never hurts to ask—but you may get your number at random. Each time you ride, color in the circle below that has the same number. If you get a number you already had, oh well, just enjoy the ride!

Sometimes ride cars—and elephants—are removed to be spruced up and then returned to the ride so not all of these may be in operation at once. If you complete the challenge, be sure to share the happy news with GTG HQ so we can congratulate you with a free sticker!
