

Jungle Cruise Boat Names (Disneyland)

Look on the top of each Jungle Cruise boat to find the name. Circle the ones you've ridden in!

Sometimes ride cars—and boats—are removed to be spruced up and then returned to the ride so not all of these may be in operation at once. If you visit this attraction and see another name, add it to the bottom of the list! In the past, the ride has been given a holiday makeover called “Jingle Cruise” with each boat name getting a makeover too like Zambezi Miss changing to Peppermint Miss for example.
